

Consultant Biography

KELVIN LING

Kelvin Ling serves as Executive Vice President in the firm's Hong Kong office.

Prior to joining DHR International, Mr. Ling spent five years as senior executive search consultant at Spencer Stuart. During his tenure he focused on the Consumer, Industrial, and Medical Equipment industries. He is also an expert, functionally, in supply chain; and has a thorough understanding of the Greater China market.

Before joining the executive search business, Mr. Ling had a 25-year career in a variety of industries including: aircraft engines, industrial gas and equipment, and consumer products. He has worked in China, Hong Kong, Singapore, and the United States. Mr. Ling has held executive positions with such global companies as General Electric in Massachusetts & Hong Kong; the first joint venture in China, Chung Wang Industrial Gas Limited; Kraft General Foods in China; and British American Tobacco.

Mr. Ling served on the Hong Kong government-sponsored Efficient Consumer Response Board from 2000 to 2003.
