

Consultant Biography

GARY W. HUGGINS

Specialty Practice Areas

Advanced Technology

Board & CEO

Industrial

Venture Capital & Private Equity

Gary W. Huggins serves as the Managing Director, Canada for DHR International Inc. He is an active participant in DHR's Board & CEO, Advanced Technology, Industrial and Private Equity practice groups. He has completed numerous senior level searches for a variety of technology and industrial companies including software, hardware, telecommunications, new media, engineering, electronics manufacturing, manufacturing, supply chain and energy. His experience as a public company Chairman and Board Member together with his Chief Executive Officer experience has given him a unique understanding of what companies require in their Board and Leadership Teams.

Prior to working as an Executive Search consultant, Gary spent over 25 years in a variety of executive positions for both private and public technology companies. His experience leading and managing these companies has prepared him to help his clients with their efforts to acquire and maintain critical leadership resources. His broad experience in both business and recruiting has provided him with an understanding of the challenges that companies face and the impact that leadership can have on their success. His clients count on him to help them deliver on their strategies by providing highly qualified candidates.

Mr. Huggins was previously a Managing Director for the Toronto office of Boyden Global Executive Search and Managing Director and Advanced Technology Practice leader for Korn/Ferry International in Canada. Prior to entering the executive search field, he was the Founder, Chairman and Chief Executive Officer of Nuvo Network Management Inc., a Canadian publicly traded technology infrastructure company. He previously held the position of Vice Chairman and Chief Executive Officer for SoftKey Software Products Inc. which ultimately became The Learning Company. SoftKey was a publicly traded (TSX and NASDAQ) consumer software package distributor and one of Canada's fastest growing technology companies.

Mr. Huggins graduated from the University of Waterloo with a Bachelor of Arts Degree in Economics. He is an active participant in charitable organizations and is currently the Chairman of the Community Outreach Committee of Kingsway Lambton United Church. He also co-leads an annual project team to Honduras. Mr. Huggins is a member of the Canadian Venture Capital Association and the Toronto Chapter of the Association for Corporate Growth (ACG). He is also a member of Craighleith Ski Club and Lambton Golf and Country Club. He is married with two daughters.
