

Consultant Biography

GORDON S. WHITE, JR.

Gordon White serves as Executive Vice President in the firm's Lansing, Michigan office. He is also leader of DHR's Automotive Industry Sector of the Worldwide Industrial Practice. Mr. White possesses more than 15 years of senior management level experience within the automotive industry. He has experience consulting with a variety of manufacturing companies, as well as a number of financial services, non-profit and healthcare organizations.

Prior to DHR, Mr. White was Principal of Glengarry Associates, a consulting practice which spanned the human resource spectrum, providing consulting support for various industrial concerns including Tower Automotive (where he served a year as an interim Vice President). He has also successfully completed a number of non-industrial assignments with various organizations throughout the Midwest.

Additionally, Mr. White has held various senior managerial positions within General Motors Corporation. These positions included Director of Human Resources for GM's Lansing Automotive Division; Director of Personnel and Public Relations for GM's Harrison Division; Director of Personnel for the Detroit Diesel Allison Division; Executive Compensation Administrator for GM's Corporate Staff; and Personnel Director, North American Operations for GM's Packard Electric Division.

Mr. White received his BA in Economics from Colgate University. He also completed the Harvard Business School Program for Management Development.

Mr. White serves on the Board of Directors of The Physician's Review Organization of Michigan and The Capital Area Health Alliance. Gordon chairs the Worker's Compensation Advisory Committee for the State of Michigan. He also chairs the Talent Investment Board for the State of Michigan.
